2nd Quarter 2025 News Release (06/22/2025)

In constant pursuit to better serve our customers and clients domestic and abroad, Harvest International has just signed an Agreement to team up with our European business partner, a global reach company (currently operating in Europe, Dubai and Miami), headquartered in Lugano Switzerland to provide Properties Branding services, including but not limited to the following international brands:

Armani Casa

Giorgio Armani Hotel

Eli Saab Residences

Eli Saab Furniture and Homes

Fendi Tower

Missioni Residences

Versace Tower

Roberto Cavalli

Ferrari

Lamborghini

Pagani

Aston Martin

Bentley

Maison Margiela Paris

These branded apartments can usually be sold for 30% more on prices, easier to get financing, comes with the option of an international network of marketing support behind it for residential, commercial and hotel properties alike, from conceptual planning to final construction supervision and execution. Harvest Property Management Group provides top-flight property management services to enhance the delivery of a seamless product and services. We welcome further inquiry for a full deck of concept and operation presentation.
